“ My deepest sympathy to the Sarchet family. You do not know me nor do I know you but I do know your dad worked with my dad, Robert Laughlin, and I believe they were very good friends. We lost my dad over 30 years ago and my mom, Vera Laughlin, and your mom were very good friends as well. I am not sure where all you lived but we lived in Loup City in the '60s and then my folks transferred to Buena Vista CO. I just wanted to let you know your dad's name brought back memories of my folks talking about your folks and what dear people they were. I am sure my dad greeted your dad in Heaven with a big smile and "great to see ya Toad". Much love to you from the Laughlin family.

“ I am praying for you at this sad time. God will take good care of both you parents, and you have family here to nurture.
My sympathy and prayers, Sue Washburn
